**Triton Minerals Limited (Administrators Appointed)
ACN 126 042 215 (the Company)**

I confirm that Andrew Smith, Dermott McVeigh and I were appointed Joint and Several Voluntary Administrators of the Company on 2 March 2016 pursuant to section 436A of the Corporations Act 2001 (the Act).

The Administrators are working with the directors in reviewing the Company's operations and financial position including conferral with the Company's stakeholders to formulate potential strategies to preserve and restructure the Company and its underlying operations.

Whilst the Company is in administration the shares will be suspended. Shareholders are unable to transfer their shares during the administration without the consent of the Administrators or the Court.

Our immediate priority is to explore the opportunity to restructure the Company in the short term. Due to the large number of shareholders, corresponding individually with shareholders would be a time consuming process that could detract efforts to focus on the immediate priority of restructuring the Company. In this regard, further shareholder updates in respect of the Company will be posted to the ASX platform in due course. We appreciate shareholders' patience through the administration in the interim.

Yours faithfully
Triton Minerals Limited

Martin Jones
