Deed of Settlement signed

Mr Neil Bourne wishes to announce that AFT Corporation Ltd has signed a deed of settlement with Mr Philip Hall of England. This settlement relates to a matter previously disclosed in the financial reports of the company as a contingent liability

The deed signed with Mr. Hall provides a full and final settlement for this matter for a total consideration of \$190,000 which will be paid in monthly instalments over 24 months.

This settlement closes the last of the outstanding matters that related to AFT's discontinued business in air purification
