NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

1. Basis of Preparation

The half-year consolidated financial statements of Gulf Industrials Ltd are a general purpose financial report prepared in accordance with the requirements of the Corporations Act 2001, Australian Accounting Standard AASB 134: Interim Financial Reporting and other Australian Accounting Standards which ensure compliance with International Financial Reporting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of Gulf Industrials Limited and its controlled entities (the group).

It is recommended that this financial report be read in conjunction with the annual financial report of the group for the year ended 30 June 2015 and any public announcements made during the half-year in accordance with continuous disclosure requirements arising under the Corporations Act 2001.

The accounting policies have been consistently applied by the entities in the consolidated group and are consistent with those in the June 2015 financial report.

The half-year report does not include full disclosures of the type normally included in an annual financial report.

Reporting Basis and Conventions

The half-year report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

New and Amending Accounting Standards and Interpretations

The accounting policies adopted in the preparation of the half year report are consistent with those followed in the preparation of the consolidated entity's annual financial statements for the year ended 30 June 2015, except for the mandatory adoption of new standards and interpretations. The adoption of these standards and interpretations did not have any material impact on the financial position or the performance of the Group.

Going Concern

The accounts have been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and liabilities in the normal course of business.

The Directors are aware that the Group's ability to continue as a going concern, and its ability to pay its debts as and when they fall due, is largely dependent on successfully managing its short to medium term liquidity position.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF GULF INDUSTRIALS LIMITED A.B.N. 13 115 027 033 And Controlled Entities

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year consolidated financial report of Gulf Industrials Limited and controlled entities (the consolidated entity) which comprises the consolidated statement of financial position as at 31 December 2015, the condensed consolidated statement of comprehensive income, the condensed consolidated statement of changes in equity, the condensed consolidated statement of cash flows for the half-year ended on that date, the accounting policies and other selected explanatory notes and the directors' declaration.

Directors' Responsibility for the Half-year Financial Report

The directors of Gulf Industrials Limited (the company) are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstance.

Auditor's Responsibility

Our responsibility is to express an opinion on the half-year financial report based on our review. We conducted our review in accordance with Australian Auditing Standards on Review engagement ASRE 2410. Review of an Interim Financial Report Performed by the Independent Auditor of the Entity in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporation Act 2001* including giving a true and fair view of the consolidated entity's financial position as at 31 December 2015 and its performance for the half-year ended on that date and complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Gulf Industrials Limited and controlled entities, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and, consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Matters Relating to the Electronic Presentation of the Audited Financial Report

This review report relates to the financial report of the consolidated entity for the half-year ended 31 December 2015 included on the website of Gulf Industrials Limited. The directors of the Company are responsible for the integrity of the website and we have not been engaged to report on its integrity. This review report refers only to the half-year financial report identified above and it does not provide an opinion on any other information which may have been hyperlinked to or from the financial report. If users of this report are concerned with the inherent risks arising from electronic data communications, they are advised to refer to the hard copy of the reviewed financial report to confirm the information included in the reviewing financial report presented on the company's website.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, provided to the directors of Gulf Industrials Limited and controlled entities on 10 March 2016, would be in the same terms if provided to the directors as at the date of this auditor's review report.

Conclusions

Based on our review, which is not an audit, we have not become aware of any matter other than as noted above that makes us believe that the half-year financial report of Gulf Industrials Limited and controlled entities is not in accordance with the Corporation Act 2001 including:

- Giving a true and fair view of the consolidated entity's financial position as at 31 December 2015 and of its performance for the half-year ended on that date; and
- complying with AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.
