Dear Sirs,

## **JUSTKAPITAL ENTERS INTO AGREEMENT WITH UK-BASED WOODSFORD TO FUND SHAREHOLDER CLASS ACTION AGAINST SLATER & GORDON**

JustKapital Litigation Partners Limited ("JustKapital" or "the Company") is pleased to announce that, together with London based Woodsford Litigation Funding Limited ("Woodsford"), it has agreed the terms of a conditional funding agreement with leading class action lawyers ACA Lawyers to prosecute a class action against listed law firm Slater & Gordon on behalf of shareholders who have suffered losses.

The potential shareholder claims against Slater & Gordon arise from:

- a number of statements and announcements issued by the board of directors of Slater & Gordon in relation to earnings guidance in 2015;
- statements made by the board of directors in the course of Slater & Gordon's \$890 million capital raise through a "pro rata accelerated renounceable entitlement offer of new shares";
- Statements made by the board of directors of Slater & Gordon in relation to the acquisition of the professional services divisions of Quindell PLC for circa \$1.3 Billion in 2015.

Mr Kapp the Executive Chairman of JustKapital said:

"We are very pleased to be funding the potential shareholder claim with Woodsford. The claim may involve a number of UK based institutional investors who have suffered substantial financial losses as a result of Slater & Gordon's alleged misconduct, and Woodsford's location in London will complement JustKapital's very strong connections within the Australian institutional investor community."

Mr Kapp added that, "this is a meritorious claim - shareholders of Slater & Gordon have seen the value of their shares decline by more than a \$1billion since the announcement of the Quindell transaction in May 2015".

Steven Friel, Woodsford's Chief Investment Officer added:

"Woodsford funds from its own balance sheet, which gives us the flexibility to fund meritorious claims in whatever jurisdiction they arise. We are pleased to be co-funding this potential claim in Australia and look forward to funding more meritorious claims in the future".
