

ASX Announcement

Selective Buy-Back Agreement

Reckon Limited ("Reckon") advises that it has signed a selective buy-back agreement with Intuit Inc ("Intuit").

Intuit is the beneficial owner of 14,828,304 shares in Reckon (representing approximately 11.45% of the total shares on issue) and it is proposed that Reckon will buy-back the shares at a price of \$1.85 per share, for a total consideration of \$27.4m. On completion of the buy-back the 14,828,304 shares will be cancelled.

The price per share represents a negotiated outcome between Reckon and Intuit and is not to be taken as the board's view of what represents a fair market price. The price per share also represents a 13% discount to the 5 day volume weighted average share price of the company of \$2.13 on 6 June 2014.

As a result of the selective buy-back the earnings per share is expected to increase by approximately 7.59% from \$0.1403 per share to \$0.1510 per share, based upon results as at 31 December 2013.

This transaction also removes an overhang with its associated uncertainty; and also removes a competitor from the register.

Reckon will fund the selective share buy-back from debt facilities.

Completion of the selective buy-back agreement is conditional upon approval of the agreement by special resolution of the shareholders of Reckon not associated with Intuit.

A notice calling a special general meeting to put the special resolution to shareholders, together with an explanatory memorandum, setting out all relevant detail concerning the selective buy-back will be despatched to Reckon shareholders in due course.

Reckon has also procured an independent expert's report on the proposed transaction which concludes that, in the opinion of the independent expert, the transaction is fair and reasonable to all shareholders entitled to vote on the special resolution. A copy of this report will also accompany the notice of special general meeting.

The board unanimously recommends shareholders vote in favour of the proposal.
