### **The Hal Group enters into two new funding facilities**

Armidale Investment Corporation Limited (AIK) is pleased to announce that the Hal Group has entered into two Principal and Agent Agreements for the purpose of originating lease contracts.

One of these arrangements is with a listed Australian financier and the other is with Westlawn Finance Limited. Westlawn, established in 1964, are a regionally based financial services company providing loans, investments, insurance, financial advice and accounting and tax services to people and businesses throughout Northern NSW.

These two facilities will provide the necessary funding required to further expand the lease portfolio of the Hal Group.
