## IMPORTANT INFORMATION

The information in this SPDS has been prepared without taking into account the objectives, financial situation and particular needs of investors. Accordingly, before making a decision to acquire Instalments, you should consider whether such an investment is appropriate having regard to your objectives, financial situation and particular needs, and consult your adviser or broker. You should read this SPDS and the PDS and consider them before making any decision as to whether to acquire Instalments.

UBS does not accept any liability or responsibility for, and makes no representation or warranty, whether express or implied, as to the affairs of any Underlying Entity included in this SPDS. You should obtain independent advice from a stockbroker or licensed financial adviser on the nature, activities and prospects of the Underlying Entities and the merits of an investment in the Underlying Entities or any Series of Instalments. You should not take the historical prices of any Security as an indication of future performance.

### UBS disclosure of interests

Options traders in a UBS Entity may buy Equity Insulator Instalments and/or exchange traded options in Securities comprising the Underlying Parcel as principal. UBS Entities as principal will be conducting transactions in various Securities, including Equity Insulator Instalments and Securities comprising the Underlying Parcel. UBS Securities may conduct such transactions as agent for UBS Entities, as well as for other principals.

UBS Entities may have previously acted, and may currently or in the future from time to time act as an adviser to the Underlying Entity for which it may receive fees and commissions. See the PDS for more details.
