Dear Sir/Madam

**PRICING OF SHARES TO BE ALLOCATED UNDER
DIVIDEND REINVESTMENT PLAN**

Metcash Limited is pleased to advise that ordinary shares to be allocated under the company's Dividend Reinvestment Plan (DRP) will be priced at \$2.66 per share for the FY14 Final Dividend (Allocation Price).

As per the DRP Rules, the Allocation Price was based on an Average Market Price (as defined in the DRP Rules) for shares traded in the ordinary course of trading on both ASX and Chi-X for the ten trading days from Friday, 4 July 2014 to Thursday, 17 July 2014 inclusive, less a 1% discount.

Under the DRP, 14,971,526 shares (in aggregate) will be allocated to participating shareholders and the DRP Underwriter on Friday, 25 July 2014.

Participating shareholders will be mailed a statement containing, among other information, details of their new shareholding in due course.

Yours faithfully

A handwritten signature in black ink, appearing to read "G. Watson", is written over a large, stylized, looped signature line that extends from the left margin.

Greg Watson
Company Secretary
