## ASX MARKET RELEASE

### DETERMINATION OF AWARDS AND CANCELLATION OF PERFORMANCE RIGHTS

The Board of Diversa Limited (ASX: DVA) has made some determinations in relation to the Performance Rights Plan currently offered to group employees.

Performance rights form the incentive component of employee's remuneration packages, and are subject to performance hurdles and vesting periods. The allocation of performance rights are based on salary level, with allocations for the prior year ranging from 0% to 20% of base salary. The Diversa Performance Rights Plan (PRP) is intended to attract, retain and motivate employees to improve Group performance and align the interests of employees with those of the Group and its shareholders. The performance rights are subject to the issue criteria as outlined in addition to the standard terms and conditions applying to the performance rights as set out in the PRP, and the respective letter of offer.

#### Determination of Awards in respect of the 2014 Financial Year

The Board has determined that the performance targets have been satisfied in relation to 4,445,878 performance rights issued in respect of the 2014 financial year, and these rights are now eligible for vesting to 15 employees as outlined in the table below:

Number of Performance Rights issued	Number awards and eligible for vesting	Performance target composition	Dates of Vesting <sup>1</sup>
8,307,501	nil	Conditional upon meeting various Group targets	n/a
5,651,176	4,445,878	Conditional upon meeting various business unit and personal targets	50% July 2014 25% July 2015 25% July 2016

1. Vesting is subject to the employees remain engaged with the Group at the time of vesting.

As a result, 8,309,062 performance rights issued in respect of the 2014 financial year have now been cancelled as the relevant performance targets were not satisfied, in addition to 1,203,737 rights already cancelled. Of the total amount of rights originally issued in respect of the 2014 financial year, 32% are now eligible for vesting, and 50% of this number have now vested and are eligible for exchange into shares.

#### Vesting of Performance Rights in respect of the 2013 Financial Year

Following the passing of the anniversary date of vesting for the FY2013 performance rights, a further 581,806 rights have now vested and are eligible for exchange into shares. 63,098 rights have not satisfied the vesting criteria and have been cancelled.

### **Vesting of Performance Rights in respect of the 2012 Financial Year**

Following the passing of the anniversary date of vesting for the FY2012 performance rights, a further 489,000 rights have now vested and are eligible for exchange into shares. 40,000 rights have not satisfied the vesting criteria and have been cancelled.

### **New Issue of Performance Rights in respect of the 2015 Financial Year**

The Board advises that it has deferred consideration of the allocation of performance rights in respect of the 2015 financial year pending completion of the recently announced acquisitions. It is currently expected that allocations will be made during the financial year on a similar basis to prior periods, which may result in the issue of up to approximately 15 million performance rights which will be issued subject to group, business unit and personal performance targets to be determined.

### **Issue of Shares on Exchange of Performance Rights**

As a result of the vesting of rights noted above, a total of 3,293,745 new ordinary shares have been issued on exchange of vested performance rights.
