### **About LBT Innovations**

LBT Innovations (LBT) is an Australian developer of clinical and diagnostic technology. Based in Adelaide, South Australia, the Company was formed in 2004 and listed on the Australian Securities Exchange on 31 July 2006 (ASX: LBT).

LBT has an agreement with French diagnostics company bioMérieux to manufacture and market LBT's MicroStreak® technology for the automated streaking of culture plates in routine microbiology testing (now sold as PREVI® Isola). LBT receives ongoing royalty payments for PREVI Isola, which has been installed in clinical laboratories in the US, Australia, China, Japan, Korea, the Middle East, UK and multiple European countries.

LBT has a second breakthrough technology, APAS® (Automated Plate Assessment System) is nearing market. Based on LBT's innovative intelligent image interpretative platform, APAS specifically addresses the automated imaging, analysis and interpretation of culture plates following incubation. LBT has entered into a Joint Venture with Hettich AG Switzerland to drive the commercial development and global distribution of APAS instrumentation and software products.
