Goodman PLUS Trust Directors' report

Principal activities

The principal activities of the Trust during the year were to invest in and lend to Goodman Limited (GL), Goodman Industrial Trust (GIT), Goodman Logistics (HK) Limited and the entities they control (Goodman Group). There were no significant changes in the nature of the activities during the year.

Review of operations

The performance of the Trust as represented by the results from its operations during the year was as follows:

	2014	2013
	\$000	\$000
Interest income from:		
Cash at bank	1	3
Loan to related entity	21,436	21,863
	21,437	21,866

State of affairs

The Trust was created on 31 October 2007 and registered as a managed investment scheme on 14 November 2007. On 21 December 2007, the Trust issued 3,269,665 Goodman PLUS with an issue price of \$100 each and lent the proceeds to a fellow sub-trust of GIT, the parent entity of the Trust. The borrowed funds were used for Goodman Group's general business purposes and to repay debt. This is consistent with the objects of the Trust at the time of admission of the Goodman PLUS on the Australian Securities Exchange.

There have been no changes in the state of affairs of the Trust during the year.

Distributions

The total distribution declared to the sole ordinary unitholder was \$1,314 (2013: \$3,477). The distribution declared to Goodman PLUS holders during the year totalled 655.6 cents per unit (2013: 682.0 cents). Further details of distributions paid or declared in the year are set out in note 4 to the financial statements.

Strategy and outlook

The Trust will continue to loan the proceeds from the issue of Goodman PLUS to Goodman Finance Australia Trust (GFAT), a fellow controlled entity of GIT, receive interest and pay distributions to Goodman PLUS holders on the due dates.

Interests of the responsible entity

GFML, as responsible entity for GIT, holds one ordinary unit.

Fees payable to the responsible entity

The management fee payable by the Trust to GFML has been waived.

Indemnification and insurance of officers and auditors

The Responsible Entity is entitled to be indemnified out of the assets of the Trust. Current and former directors of the Responsible Entity have a right to be indemnified under the constitution of the Responsible Entity. The directors of the Responsible Entity are also directors of GL. Deeds of Indemnity have been executed by GL, consistent with the Constitution of GL, in favour of each Director. The Deed indemnifies each Director to the extent permitted by law for liabilities (other than legal costs) incurred in their capacity as a Director of GL, the Responsible Entity or other controlled entities of GL and, in respect of legal costs, for amounts incurred in defending or resisting civil or criminal proceedings.

Goodman Group has insured to the extent permitted by law, current and former directors and Officers of the Responsible Entity in respect of liability and legal expenses incurred in their capacity as a director or officer. As it is prohibited under the terms of the contract of insurance, the directors have not included details of the nature of the liabilities covered or the amount of the premiums paid. The auditors of the Trust are not indemnified in any way by this insurance cover.

Lead auditor's independence declaration under section 307C of the Corporations Act 2001

The lead auditor's independence declaration is set out on page 9 and forms part of the Directors' report for the year.

Goodman PLUS Trust
Notes to the financial statements
for the year ended 30 June 2014

1 Statement of significant accounting policies

Goodman PLUS Trust (Trust) was established in Australia. The parent entity of the Trust is GIT. The responsible entity of the Trust, GFML, has its registered office at Level 17, 60 Castlereagh Street, Sydney NSW 2000. The Trust is a for-profit entity whose principal activity is to invest in and lend to Goodman Group.

Statement of compliance

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) adopted by the Australian Accounting Standards Board (AASB) and the Corporations Act 2001. International Financial Reporting Standards (IFRS) form the basis of accounting standards adopted by the AASB. The financial report also complies with IFRS.

The financial report is presented in Australian dollars and was authorised for issue by the directors (Directors) of GFML, on 14 August 2014.

The significant accounting policies which have been adopted in the preparation of the financial report are set out below.

(a) Basis of preparation of the financial report

The financial report is prepared on the historical cost basis.

(b) Segment reporting

An operating segment is a component of the Trust that engages in business activities from which it may earn revenues and incur expenses. All operating segments' operating results are regularly reviewed by the Group Chief Executive Officer to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

The Trust operates wholly in Australia in a single business segment, investing (through the provision of an interest bearing loan) in Goodman Group. Goodman Group comprises Goodman Limited, GIT, Goodman Logistics (HK) Limited and the entities they control.

(c) Financial assets

The Trust classifies its financial assets as loans and receivables. Management determines the classification of its investments at initial recognition.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market, other than:

- + those that the Trust intends to sell immediately or in the short term, which are classified as held for trading, and those that the Trust upon initial recognition designates as at fair value through the statement of comprehensive income;
- + those that the Trust upon initial recognition designates as available for sale; or
- + those for which the holder may not recover substantially all of its initial investment, other than because of credit deterioration.

(d) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

(e) Cash and cash equivalents

For cash flow statement presentation purposes, cash and cash equivalents include cash on hand, deposits held at call with financial institutions and other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Goodman PLUS Trust
Notes to the financial statements
for the year ended 30 June 2014

1 Statement of significant accounting policies (cont)

(f) Interest income and expense

Interest income and expense for all interest bearing financial instruments are recognised within interest income and interest expense in the statement of comprehensive income using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial asset or a financial liability and of allocating the interest income or interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument, or, when appropriate, a shorter period, to the net carrying amount of the financial asset or financial liability. When calculating the effective interest rate, the Trust estimates cash flows considering all contractual terms of the financial instrument (for example, prepayment options) but does not consider future credit losses. The calculation includes all fees paid or received between parties to the contract that are an integral part of the effective interest rate, transaction costs and all other premiums or discounts.

Once a financial asset or a group of similar financial assets has been written down as a result of an impairment loss, interest income is recognised using the rate of interest used to discount the future cash flows for the purpose of measuring the impairment loss.

(g) Impairment of financial assets

Assets carried at amortised cost

The Trust assesses at each balance sheet date whether there is objective evidence that a financial asset or group of financial assets is impaired. A financial asset or a group of financial assets is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the assets (a loss event) and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated.

The amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows (excluding future credit losses that have not been incurred) discounted at the financial asset's original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account and the amount of the loss is recognised in the statement of comprehensive income. If a loan or held-to-maturity investment has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract. As a practical expedient, the Trust may measure impairment on the basis of an instrument's fair value using an observable market price.

The calculation of the present value of the estimated future cash flows of a collateralised financial asset reflects the cash flows that may result from foreclosure less costs for obtaining and selling the collateral, whether or not foreclosure is probable.

When a loan is uncollectible, it is written off against the related allowance for loan impairment. Such loans are written off after all the necessary procedures have been completed and the amount of the loss has been determined.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed, with the amount of the reversal recognised in the statement of comprehensive income.

(h) Issued capital

Ordinary unit and Goodman PLUS

Both the ordinary unit and Goodman PLUS are classified as equity.

Distributions

Distributions on both the ordinary unit and Goodman PLUS are recognised as a reduction in equity in the period in which they are declared.

1 Statement of significant accounting policies (cont)

(i) Income tax

Under current Australian income tax legislation, the Trust is not liable for income tax provided that each year the taxable income is fully distributed to unitholders.

(j) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case, it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the taxation authority, are presented as operating cash flows.

(k) Australian accounting standards issued but not yet effective

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 July 2013, and have not been applied in preparing these financial statements. None of these is expected to have a significant effect on the financial statements of the Trust, except for AASB 9 Financial Instruments, which becomes mandatory for the Trust's 2016 financial statements and could change the classification and measurement of financial assets. The Trust does not plan to adopt this standard early and the extent of the impact has not been determined.

(l) Rounding

In accordance with Australian Securities & Investments Commission Class Order 98/100 dated 10 July 1998 (as amended), the amounts shown in the financial report and Directors' report have been rounded to the nearest thousand dollars, unless otherwise stated.

1. Includes accrued interest of \$nil (2013: \$5,665,684).

The loan to a related entity is made to GFAT, a fellow controlled entity of GIT, and is receivable on demand. Interest accrues on the loan at the annual distribution rate on Goodman PLUS (refer to note 6) and is payable when distributions under Goodman PLUS are payable. On satisfying certain conditions, the related entity is able to elect for a financial year not to pay the interest quarterly. In these circumstances, the interest is added to the principal loan and accrues interest at the distribution rate referred to above. This capitalised interest portion and any interest calculated on this capitalised interest portion are payable at the option of the related entity in the period of 10 years from when the capitalised interest portion was originally due.

Terms and conditions

Ordinary unit

The holder of the ordinary unit is entitled to receive distributions as declared from time to time and is entitled to one vote per unit at unitholders' meetings. In the event of the winding up of the Trust, the ordinary unitholder ranks after all other unitholders and creditors and is fully entitled to any proceeds of liquidation.

Goodman PLUS

Goodman PLUS are preferred, perpetual units with a face value of \$100 per unit which are quoted on the Australian Securities Exchange. Goodman PLUS may be exchanged or repurchased in certain circumstances.

In the event of the winding up of the Trust, GFML is to first distribute assets to the holders of Goodman PLUS, up to an amount equal to the face value and an amount equal to the unpaid amount of the scheduled distributions for the period of three months immediately preceding the date on which the Trust commenced to be wound up. GFML will then distribute the remaining assets to the ordinary unitholder.

On 26 September 2012, the holders of the Goodman PLUS approved a proposal by GFML to amend the terms of the Goodman PLUS in response to market conditions. The key amendments, which came into effect on 27 September 2012, are as follows:

- + distributions under Goodman PLUS increased from a margin of 1.90% per annum to a margin of 3.90% per annum over the three month Bank Bill Swap Rate;
- + a step up margin of 0.25% per annum will apply if Goodman PLUS are not repurchased, exchanged or successfully remarketed on or before 30 September 2022. The first remarketing date under the amended terms is 31 December 2017 and thereafter every five years;
- + a final step up margin of 0.75% per annum will apply if Goodman PLUS are not repurchased or exchanged on or before 31 December 2038; and
- + Goodman PLUS holders will have the right to require the Trust to elect to repurchase or exchange the Goodman PLUS on 31 December 2073.

Subsequent to the amendment of the terms of Goodman PLUS, distributions are payable quarterly on 31 March, 30 June, 30 September and 31 December, but at the discretion of GFML.

7 Related party disclosures

Key management personnel disclosures

The Trust does not employ personnel in its own right; however, it is required to have an incorporated responsible entity to manage its activities. GFML as responsible entity is considered to be the key management personnel of the Trust.

Fees payable to GFML

The management fee payable by the Trust to GFML has been waived.

Interests of GFML in the Trust

GFML, as responsible entity of GIT, owns the ordinary unit issued by the Trust. GFML does not own any Goodman PLUS.

Transactions with Goodman Group

The Trust has made a loan to GFAT, a fellow controlled entity of GIT, registered in Australia. Further details are set out in note 5.

The audit fee for the year of \$27,600 (2013: \$27,600) is paid by GIT.

8 Financial risk management

The Trust's capital management policy, interest rate risk and liquidity risk are monitored by Goodman Group's treasury function.

The Trust's activities involve ensuring that the Trust has sufficient funds to meet any distributions payable in respect of the ordinary unit or Goodman PLUS. This is achieved by matching the interest rates and payment dates on any loans to Goodman Group with the distribution rates on the units.

If interest rates during the year on the loan to GFAT had been 100 basis points per annum (2013: 100 basis points per annum) higher/lower, post-tax profit for the year would have been \$3,270,000 (2013: \$3,270,000) higher/lower.

The Trust has a significant concentration of credit risk in Goodman Group. Goodman Group has a Baa2 (stable outlook) credit rating with Moody's and therefore the Directors are confident it can control and sustain minimal exposure to credit risk. The only significant asset of the Trust is a loan to GFAT. This loan is not overdue and there is no impairment at 30 June 2014 (2013: \$nil). The Trust does not have any collateral in respect of this loan.

The Trust has no foreign exchange or other price risk and did not use derivative financial instruments during the year.

The fair values of all the Trust's financial assets and liabilities are their carrying amounts.

9 Notes to the cash flow statement

(a) Reconciliation of cash

For the purpose of the cash flow statement, cash includes any cash on hand and at bank and short-term deposits net of outstanding bank overdrafts.

(b) Reconciliation of profit for the year to net cash provided by operating activities

10 Events subsequent to balance date

In the opinion of the Directors, there were no events subsequent to balance date and up to the date of signature of this report which would require adjustment or disclosure in the financial report.

**Goodman PLUS Trust
Directors' declaration**

In the opinion of the directors of Goodman Funds Management Limited, the responsible entity for Goodman PLUS Trust:

- (a) the financial statements and notes set out on pages 10 to 20 are in accordance with the Corporations Act 2001, including:
 - + giving a true and fair view of the financial position of the Trust as at 30 June 2014 and of its performance for the year ended on that date; and
 - + complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001;
- (b) the financial report also complies with International Financial Reporting Standards as disclosed in note 1; and
- (c) there are reasonable grounds to believe that the Trust will be able to pay its debts as and when they become due and payable.

The directors of the responsible entity have been given the declarations required by section 295A of the Corporations Act 2001 from the Group Chief Executive Officer and Chief Financial Officer for the year ended 30 June 2014.

Signed in accordance with a resolution of the Directors.

Independent auditor's report to the unit holders of Goodman PLUS Trust

Report on the financial report

We have audited the accompanying financial report of Goodman PLUS Trust (the Trust), which comprises the statement of financial position as at 30 June 2014, and the statement of comprehensive, statement of changes in equity and statement of cash flows for the year ended on that date, notes 1 to 10 comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

Directors' responsibility for the financial report

The directors of Goodman Funds Management Limited (the Responsible Entity) are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. In note 1, the directors also state, in accordance with Australian Accounting Standard AASB 101 *Presentation of Financial Statements*, that the financial statements comply with International Financial Reporting Standards.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the *Corporations Act 2001* and Australian Accounting Standards, a true and fair view which is consistent with our understanding of the Trust's financial position and of its performance.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*.

Auditor's opinion

In our opinion:

(a) the financial report of Goodman PLUS Trust is in accordance with the *Corporations Act 2001*, including:

(i) giving a true and fair view of the Trust's financial position as at 30 June 2014 and of its performance for the year ended on that date; and

(ii) complying with Australian Accounting Standards and the Corporations Regulations 2001.

(b) the financial report also complies with International Financial Reporting Standards as disclosed in note 1.
