Dear Shareholder

Non-renounceable Rights Issue Offer – Notice to Ineligible Shareholders

On 22 August 2014, Kimberley Diamonds Ltd (**KDL** or the **Company**) announced a pro rata non-renounceable rights issue offer of new KDL ordinary shares (**New Shares**) at an issue price of \$0.19 per New Share to raise up to approximately \$9,912,672 (before expenses) (**Offer**).

Eligible shareholders will be able to purchase 1 New Share for every 2 existing KDL ordinary shares held as at 7.00pm (Sydney time) on 1 September 2014 (**Record Date**). New Shares issued under the Offer will rank equally with existing KDL ordinary shares.

Use of funds

The funds raised from the Offer will be used to fund:

- (a) re-commissioning of the Lerala Diamond Mine in Botswana; and
- (b) general working capital requirements.

The purpose of this letter is to inform you about the Offer, and to explain why you will not be able to purchase New Shares under the Offer. This letter is not an offer to issue New Shares to you, nor an invitation for you to apply for New Shares. You are not required to do anything in response to this letter.

Documents relating to the Offer have been lodged with ASX and are being despatched to Eligible Shareholders (as defined below).

Details of the Offer

The Offer is being made under Section 708AA of the *Corporations Act* 2001 (Cth) (**Corporations Act**), as modified by ASIC Class Order [CO 08/35]. The Offer is being made to Eligible Shareholders (as defined below), on the basis of 1 New Share for every 2 existing KDL ordinary shares held.

Eligibility Criteria

KDL has determined pursuant to ASX Listing Rule 7.7.1(a) and section 9A(3) of the *Corporations Act* that it would be unreasonable to make offers to shareholders in all countries in connection with the Offer. This determination was made due to legal limitations on making or extending an offer of New Shares in some countries, the relatively small number of shareholders in those countries, the small number of securities they hold and the potential cost of complying with regulatory requirements in those countries.

Accordingly, in compliance with ASX Listing Rule 7.7.1(b) and section 9A(3) of the Corporations Act, KDL wishes to advise you that it will not be extending the Offer to you and you will not be able to purchase New Shares under the Offer.

Shareholders who are eligible to participate in the Offer are shareholders who, as at 7.00pm (Sydney time) on the Record Date were registered as holders of existing KDL ordinary shares and had a registered address in Australia or New Zealand (**Eligible Shareholders**).

Unfortunately, as you do not satisfy the eligibility criteria for an Eligible Shareholder, you will not be able to purchase New Shares under the Offer. You will not be sent documents relating to the Offer.

As the Offer is non-renounceable, you will not receive any payment or value for entitlements in respect of New Shares that would have been offered to you if you were eligible.

If you have any questions in relation to any of the above matters, please contact the Company's share registry, Boardroom Pty Limited on +61 2 9290 9600.

On behalf of the board and management of KDL, we thank you for your continued interest in KDL.

Yours sincerely

Mr Alex Alexander
Chairman

This document is issued by Kimberley Diamonds Ltd ACN 150 737 563. It is not a prospectus or any other form of disclosure document and has not been lodged with ASIC. It is for information purposes only and does not constitute an offer, invitation or recommendation to subscribe for, retain or purchase any securities in KDL in any jurisdiction. This document does not constitute financial product advice and will not form any part of any contract for the acquisition of KDL shares. This document may not be released or distributed in the United States.

Important notice to nominees: Because of legal restrictions, you must not send copies of this letter or any material relating to the Offer to any of your clients (or any other person) in the United States and on whose behalf you are the registered owner of shares. Failure to comply with these restrictions may result in violations of applicable securities laws.
