**eBET RECEIVES TECHNICAL APPROVAL FOR THE VICTORIAN
MARKET**

eBET Limited (ASX: EBT) ("eBET" or "Company") today announced that it had received technical approvals for its Metropolis™ Gaming System for the Victorian market from the VCGLR (Victorian Commission of Gaming and Liquor Regulation).

Mr. Tony Toohey, eBET's CEO & Managing Director, said "This approval is critical for eBET's growth strategy in the Victorian gaming market. The approval allows us to progress to a field trial in the lead-up to rolling out Metropolis™ to both our existing and future Victorian customers.

"The approval also supports new business development by providing potential customers with the confidence that eBET meets the rigorous technical requirements of Victoria's highly regulated market."

eBET has successfully established a large initial footprint in Victoria through the Mercury Group, with 38 venues, operating 1,560 EGMs agreeing to install the full suite of Metropolis™ features. This includes loyalty, gaming management and Voluntary Pre-Commitment, with a further 4 venues, operating 108 EGMs, agreeing to install the Voluntary Pre-Commitment system.

It is anticipated that the field trial of Metropolis™ will commence in September 2014.
