About Onthehouse Holdings Limited

Onthehouse Holdings Limited (ASX: OTH) is an ASX listed Australian online real estate content and services platform headquartered in Brisbane. The business divisions operated by the Company consist of:

The Consumer Online Division is a platform of publicly available real estate websites underpinned by the www.onthehouse.com.au website, providing free access to an extensive database of real estate content and property values on most properties in Australia, including traditional real estate online classified listings. The website is comparable to successful offerings in the US (Zillow) and UK (Zoopla) and has very quickly become the third largest online real estate platform in Australia.

The Real Estate Solutions Division provides tools for real estate agents, other property professionals and financial institutions. It provides an integrated platform for office administration, property sales and management applications, online advertising solutions and other business performance tools for real estate agents and data and valuation related services for financial institutions utilising Onthehouse's extensive database.
