Conclusion of Unmarketable Parcel Share Sale Facility

Sandon Capital Investments Limited ("the Company") is pleased to advise that the sale of unmarketable parcels ("Sale") as announced on 4 July 2014, has now been completed.

In total 4,415 holders holding an aggregate of 9,614 fully paid ordinary shares in the Company, participated in the Sale.

The proceeds from the Sale will be distributed on or about 12 September 2014 to the relevant former shareholders by AUD cheque.

As a consequence of the Unmarketable Share Program, our shareholder base has reduced to approximately 1,266 holders down from over 5,681 holders. The reduction in the number of shareholders will significantly reduce the administrative costs associated with maintaining a large share register, including printing/mailling costs and share registry expenses.
