Dear Simon,

WHITE ENERGY COMPANY LIMITED – TRADING HALT

The Company requests a trading halt effective prior to the opening of trading on Thursday 25 September 2014 pending the release of an announcement regarding the decision of the Court of Appeal of Western Australia in relation to the appeal of PT Bayan Resources Tbk (**Bayan**) in connection with the freezing order over Bayan's shares in Kangaroo Resources Limited. Bayan's appeal was limited to the Court's ability to make such orders. The contested hearing took place during March 2014.

The Company will be preparing an ASX release to provide the market with the Courts decision, with the announcement to be made no later than prior to the opening of trading on Monday 29 September 2014.

The Company is not aware of any reason why the trading halt should not be granted.

Thank you for your assistance.

Yours sincerely

David Franks
Company Secretary
White Energy Company Limited
