Ecosave wins new GESP contract for US\$2.45M

Ecosave Efficiency US has secured a Guaranteed Energy Savings Project (GESP) with a total contract value of US\$2.45M.

The project incorporates a range of upgrades to building services to deliver energy efficiency outcomes including replacement of aging plant. The GESP is for a large multinational company that owns and occupies a building in Ohio, USA.

The aggregate of revenue financial year to date and backlog incorporating this additional contract win now totals A\$21.5M.
