As announced on 9 December 2013, the Board of Armidale Investment Corporation Limited (AIK) has determined that AIK falls within the definition of Investment Entity as set out in the Australian Accounting Standards Board (AASB) AASB 2013-5 *Amendment to Australian Accounting Standards – Investment Entities*.

Due to the adoption of AASB 2013-5, there is only one NTA to be reported, the Company basis.

The unaudited NTA value per share (after all taxes, fees and expenses) for 30 September 2014 is reported below:

	Company

It is noted that AIK's accounting treatment under AASB 2013-5 *Amendment to Australian Accounting Standards – Investment Entities*, is a separate exercise and unrelated to the requirements and definition of an Investment Entity (or "LIC") under Chapter 19 of the ASX Listing Rules.
