#### About LBT Innovations

LBT Innovations (LBT) is an Australian developer of clinical and diagnostic technology. Based in Adelaide, South Australia, the Company has two breakthrough products in microbiology automation: PREVI® Isola, which provides automation of culture plate streaking and APAS®, a breakthrough in automated culture plate reading, interpretation and reporting. LBT also has a third product in development, Woundvue™, a proposed automation solution to assist in the management of chronic wounds.

LBT has an exclusive global licence agreement with French diagnostics company bioMérieux to manufacture and market PREVI® Isola. LBT receives ongoing royalty payments for PREVI Isola, which has been installed in clinical laboratories in around the world. LBT's APAS® technology is nearing market. Based on LBT's innovative intelligent image interpretative platform, APAS specifically addresses the automated imaging, analysis and interpretation of culture plates following incubation. LBT has entered into a Joint Venture with Hettich AG Switzerland to drive the commercial development and global distribution of APAS instrumentation and software products.
