Public company limited by Shares

Constitution of

Ardent Leisure Limited

ACN 104 529 106

1 Nature of Company

- 1.1 The Company is a public company limited by Shares.

2 Issue of Shares

Power to issue Shares

- 2.1 The Shares in the Company may be issued only by the Board. The Board may issue or otherwise dispose of Shares to those persons, including Members, Directors or employees of the Company, determined by the Board.
- 2.2 While Stapling applies, no Shares may be issued unless there is a contemporaneous and corresponding issue of the same number of Units on the basis that the Shares (which must be Ordinary Shares) are to be Stapled to the Units.
- 2.3 Share may be issued, subject to the terms of the Trust Constitution so long as Stapling applies, at any price determined by the Board.

Special rights

- 2.4 Subject to the provisions concerning Stapling, Shares may be issued with those preferred, deferred or other special rights or with those restrictions, whether with regard to dividends, voting, return of capital or otherwise as the Board determines.

Partly Paid Shares

- 2.5 While Stapling applies, Shares which are partly paid must only be issued if there is a contemporaneous and corresponding issue of the same number of partly paid Units on the basis that the partly paid Shares (which must be Ordinary Shares) are to be Stapled to the partly paid Units.
- 2.6 While Stapling applies, the amount paid on a partly paid Share must be proportional to the contribution paid in respect of the partly paid Unit so that the amount paid up in respect of the issue price of the partly paid Share and the partly paid Units are at all times proportional to the total amount due in respect of each.

- 2.7 While Stapling applies, any issue of partly paid Shares must be on the basis that a call will not be regarded as having been validly paid unless any amount payable at the same time in relation to the partly paid Units Stapled to those Shares is also paid.

Issue price of Shares

- 2.8 Fully or partly paid Shares in the Company may be issued at any price so long as the price is consistent with the provisions of the Trust Constitution (whilst Stapling applies) and with the Listing Rules and Corporations Act.

Effect of allotment on class rights

- 2.9 Subject to the provisions concerning Stapling, the rights conferred on the holders of the Shares of a class allotted with preferred rights are not to be treated as varied by the allotment of further Shares by the Company ranking equally with them unless the terms of allotment of the earlier allotted Shares expressly provide otherwise.

Trusts over Shares

- 2.10 Except as required by law, no person is to be recognised by the Company as holding a Share on trust.
- 2.11 Except as provided by this document or the law, the Company may recognise only an absolute right to the entirety of a Share in the registered holder and, regardless of it having notice of any other interest or right, the Company is not bound by, or compelled in any way to recognise, any equitable, contingent, future, partial or other right or interest in a Share or unit of a Share.

Entitlement to certificates

- 2.12 The Board may determine that all the Shares of a class of Shares in the capital of the Company are to be allotted on the terms that they may be held only as uncertificated holdings under the ACH Clearing Rules and the ASTC Settlement Rules. A Member holding Shares of that class is not entitled to require the Company to issue or deliver certificates as evidence of title to the Shares. The Board may at any time revoke a determination under this clause.
- 2.13 The Board may permit a Member's holding of Shares to be held as an uncertificated holding under the ACH Clearing Rules and the ASTC Settlement Rules and they must do so if the Listing Rules or the ACH Clearing Rules and the ASTC Settlement Rules require that Shares are to be held as uncertificated holdings.
- 2.14 Every Member whose Shares are not held as an uncertificated holding of Shares is entitled without payment to receive a certificate in respect of Shares allotted, as required by the Corporations Act 2001.
- 2.15 The Board may cancel without replacing a certificate for Shares held by a Member whose Shares are to be held as an uncertificated holding.

Issue of certificates to joint holders

- 2.16 The Company is not bound to issue more than one certificate in respect of a Share or Shares held jointly by several persons. Delivery of a certificate for a Share to one of several joint holders is sufficient delivery to all such holders.

Rights and obligations of joint holders

- 2.17 The Board may from time to time determine the maximum number of joint holders, being not more than 3, whose names may be recorded in the Register. Until a determination is made, the maximum number is 3. The Company may record only the names of the first persons within the maximum number from the application for Shares, transfer document or notice of death or bankruptcy and all other names may be disregarded by the Company.
- 2.18 If several persons are jointly entitled to a Share all of the following conditions apply in relation to that joint holding:
- 2.18.1 In the absence of an express direction from those persons to the contrary, the Company may enter the names of those persons as Members in the Register in the order in which their names appear on the application for Shares or the instrument of transfer or the notice of death or bankruptcy given to the Company to establish those persons' entitlement to the Share.
 - 2.18.2 It is a sufficient discharge of any of the Company's obligations to those persons if the Company discharges that obligation in relation to the first named holder of the Share in the Register.
 - 2.18.3 Any one of those persons may give effectual receipts for any dividend or return of capital payable to those persons.
 - 2.18.4 Those persons are jointly and severally liable to pay all calls, interest and other amounts in respect of the Share.
 - 2.18.5 Those persons are taken to hold the shares as joint tenants with rights of survivorship.

3 Issue of Options

Issue of Options

- 3.1 Options over unissued Shares in the Company may be issued only by the Board. The Board may issue or otherwise dispose of Options to those persons, including Members, Directors or employees of the Company, determined by the Board.

Effect of Stapling

- 3.2 While Stapling applies, no Options may be issued unless there is a contemporaneous and corresponding issue of the same number of options over unissued Units on the basis that

the Options (which must be in respect of unissued Ordinary Shares) are to be Stapled to the options over the Units.

3.3 While Stapling applies an Option may only be exercised if at the same time as Shares are acquired under the Option the same person contemporaneously acquires on exercise of an option over Units an identical number of Units which are then Stapled to the Shares.

3.4 In all other respects the same rules as apply to Shares under this document apply to Shares to be issued on the exercise of an Option.

4 Variation of class rights

Form of consent

4.1 If at any time there are different classes of Shares on issue, the rights attached to a class (unless otherwise provided by the terms of issue of the Shares of that class) may, whether or not the Company is being wound up, be varied in either of the following ways:

4.1.1 With the consent in writing of the holders of 75% of the Shares of that class.

4.1.2 With the sanction of a special resolution passed at a separate general meeting of the holders of the Shares of the class.

4.2 No variation to the class rights of a Share may be made if it would affect Stapling.

Separate general meeting

4.3 The provisions of this document relating to general meetings, with all necessary changes required by the context of this clause 4, apply to every separate general meeting except that:

4.3.1 Two Members represented in any manner permitted at general meetings who together hold one-third of the issued Shares of the class, or the only Member holding Shares in the class, is a quorum.

4.3.2 Any person qualified to be counted in a quorum may demand a poll.

5 Alteration of capital

Alteration of capital

5.1 The Company may do anything in respect of its Share capital permitted by the Corporations Act 2001 and Listing Rules, including any one or more of the following:

5.1.1 If there is in this document a restriction on the number of Shares that may be on issue, increase by a Members resolution the number of Shares which may be issued by the creation of new Shares.

- 5.1.2 Convert all or any of its Shares into a larger or smaller number of Shares by a Members resolution.
- 5.1.3 Any form of capital reduction or buy back.

5A Capital reallocation

If, at any time, the Trustee makes a distribution of capital of the Trust to Unit Holders in accordance with clause 9A of the Trust Constitution on terms that the amount to be distributed in respect of each Unit (the Capital Reallocation Amount) is to be paid at the direction of the Unit Holder to the Company as an additional capital payment in respect of the Share to which that Unit is Stapled, then that Unit Holder, as a holder of a Stapled Security, is:

- a) taken to have directed the Company to accept the Capital Reallocation Amount as an additional capital payment in respect of the Share to which that Unit is Stapled; and
- b) deemed to have appointed the Company as its attorney and agent to do all things the Company considers necessary to give effect to the receipt of the Capital Reallocation Amount by the Company, and the Company shall be deemed to receive the Capital Reallocation Amount as an additional payment in respect of the Share to which that Unit is Stapled.

6 Effect of Stapling

- 6.1 While Stapling applies, nothing may be done to alter the Share capital of the Company in the manner specified in clause 5.1 unless the Unit capital of the Trust is altered at the same time, in the same manner and to the same extent or which would directly or indirectly result in a Share no longer being Stapled to a Unit. This means that the things the Company must not do include the following:
 - 6.1.1 Any consolidation or subdivision of its share capital unless the Trustee contemporaneously implements a proportional consolidation or subdivision of the Stapled Units.
 - 6.1.2 Any reduction in its share capital unless the Trustee contemporaneously implements a proportional redemption of the Stapled Units.
 - 6.1.3 Any buy back of any Share capital in itself unless contemporaneously a buy-back or redemption of the applicable Stapled Unit is made by the Trustee.

7 Lien

Money secured by lien

- 7.1 To the extent permitted by the Listing Rules and the law, the Company has a first and paramount lien on every Share and on all dividends payable in respect of that Share for each of the following:
- 7.1.1 For all money called but unpaid or due but unpaid in respect of that Share.
 - 7.1.2 Where the Share is registered in the name of one Member only, for all money payable to the Company by the Member or, in the case of a deceased Member, by the deceased Member's estate.
 - 7.1.3 All money which the Company is required by law to pay, and has paid, in respect of that Share.
 - 7.1.4 All money payable to the Company by the Member registered as the holder of the Share in respect of loans made under an employee incentive scheme.
- 7.2 The lien extends to reasonable interest and expenses incurred because the amount has not been paid.
- 7.3 The Board may exclude at any time by resolution a Share either wholly or in part from the lien created under this document but only on the basis that, while Stapling applies, the Unit to which the Share is Stapled is excluded at the same time and to the same extent.

Power of sale

- 7.4 The Company may sell, in any manner which the Board thinks fit, any Shares on which the Company has a lien.
- 7.5 While Stapling applies, any such sale must be in respect of the Shares and the Units Stapled to those Shares.
- 7.6 A Share on which the Company has a lien must not be sold unless both of the following are satisfied:
- 7.6.1 A sum in respect of which the lien exists is presently payable.
 - 7.6.2 A period of 14 days has elapsed after the Company has given to the Member in whose name the Share is registered or the person entitled thereto by reason of the Member's death or bankruptcy a notice in writing of the Company's intention to sell the Share.
- 7.7 The notice referred to in clause 6.6.2 must also:
- 7.7.1 State the amount, and demand payment, of the part of the amount in respect of which the lien exists as is presently payable.

- 7.7.2 While Stapling applies, include the amount in respect of which the lien exists on the Units Stapled to those Share as also being presently payable.
 - 7.7.3 Comply with the requirements, if any, of the ACH Clearing Rules and the ASTC Settlement Rules and the Listing Rules.
- 7.8 The Company may do all things necessary to give effect to the sale of those Shares on which the Company has a lien, including authorise a Director, Secretary or other person to execute a transfer of the Shares sold in favour of the purchaser of the Shares. While Stapling applies, any such sale must also be in respect of the Units Stapled to those Shares.
- 7.9 The Company must register the purchaser of any Shares sold as the holder of the Shares. The purchaser is not bound to see to the application of the purchase money. The title of the purchaser to the Shares is not affected by an irregularity or invalidity in connection with the sale.

Application of proceeds of sale

- 7.10 The proceeds of the sale must be received by the Company and the money remaining after deducting the expenses of sale must be applied in payment of that part of the amount in respect of which the lien exists as is presently payable. The residue, if any, must (subject to any amounts due in respect of Units Stapled to the Shares and to a like lien for sums not presently payable as existed upon the Shares before the sale) be paid to the person that was entitled to the Shares immediately before the sale.

8 Calls on Shares

Power to make calls

- 8.1 The Board may from time to time in accordance with this document make calls on Members for any money unpaid on the Members' Shares which is not by the conditions of allotment of the Share made payable at fixed times.
- 8.2 The Board may, on the issue of Shares, differentiate between the holders as to the amount of calls to be paid and the times of payment so long as, while Stapling applies, the same differentiation is made in respect of the Units Stapled to those Shares.
- 8.3 The Board may require that a call be paid by instalments.
- 8.4 A call or an instalment of a call may not be made payable at a date less than one month after the date fixed for the payment of the last preceding call or instalment.
- 8.5 Subject to the constitution of the Trust while Stapling applies, the Board may at any time revoke or postpone a call.

Effect of Stapling

- 8.6 While Stapling applies, any call must be in respect of a pro rata amount due in respect of the Units Stapled to those Shares, unless the Board and the Trustee decide otherwise

Time of call

- 8.7 A call is to be treated as made at the time when the resolution of the Board authorising the call is passed.

Notice of calls

- 8.8 The Company must comply with the Listing Rules in relation to the dispatch and content of notices to Members on whom a call is made.

Liability to pay calls

- 8.9 A Member on whom a call is made in accordance with this document must pay to the Company the amount called on his Shares at the time or times and place specified.

Interest on unpaid calls

- 8.10 If a sum called in respect of a Share is not paid before or on the day appointed for payment, the person from whom the sum is due must pay interest on the sum from the day appointed for payment of the sum called to the time of actual payment at a fair market rate determined by the Board. The Board may waive payment of interest, either wholly or in part, on sums called but unpaid.

Sums payable on allotment or at a fixed date

- 8.11 Any sum which by the terms of issue of a Share becomes payable on allotment or at a fixed date is for the purposes of this document treated as a call duly made and payable on the date on which by the terms of issue the sum becomes payable.
- 8.12 In case of non-payment of a sum payable on allotment or at a fixed date, all the relevant provisions of this document as to payment of interest and expenses, forfeiture, or otherwise apply as if the sum had become payable by virtue of a call duly made and notified.

Advances of uncalled amounts

- 8.13 The Board may accept all or part of the money uncalled and unpaid upon any Shares held by a Member which the Member is willing to advance to the Company.
- 8.14 While Stapling applies, any advance must be in respect of a pro rata amount due in respect of the Units Stapled to those Shares, unless the Board and the Trustee decide otherwise.
- 8.15 The Board may authorise the payment of interest on the whole or a part of an advance of any uncalled amount due on Shares until the date the amount would have been payable but for the advance at a rate not exceeding 10% per annum or a rate fixed from time to time by the Company in general meeting.

9 Forfeiture of Shares

Notice of default

- 9.1 If a Member fails to pay a call or instalment of a call on the day when it is due for payment, the Board may, while any part of the call or instalment remains unpaid, give notice requiring the Member to pay the unpaid call or instalment together with any interest which may have accrued. The notice must do all of the following:
- 9.1.1 Specify a further day (not earlier than 7 days after the date of the notice) on or before which the payment required by the notice is to be made.
 - 9.1.2 State that, in the event of non-payment at or before the time appointed, the Shares, and the Units Stapled to those Shares, in respect of which the call was made will be liable to be forfeited.
 - 9.1.3 Comply with the requirements, if any, of the ACH Clearing Rules and the ASTC Settlement Rules and the Listing Rules.

Forfeiture

- 9.2 If the requirements of a notice relating to forfeiture given under clause 8.1 are not complied with, any Share in respect of which the notice has been given may be forfeited by a resolution of the Board to that effect, at a meeting convened in accordance with the Listing Rules, at any time before the payment required by the notice has been made.
- 9.3 While Stapling applies, any forfeiture must be on the basis that the Units Stapled to those Shares are also forfeited at the same time and in the same manner.
- 9.4 If the Share the subject of a resolution of forfeiture is entered on the CHES Subregister, the Company may take all necessary steps to move the Share to a subregister administered by the Company. The forfeiture of the Share is effective at the time the Share is entered in that subregister.
- 9.5 A forfeiture includes all voting rights and dividends declared in respect of the forfeited Shares and not actually paid before the forfeiture.
- 9.6 Before a sale or disposition of a forfeited Share the Board may annul the forfeiture on terms determined by the Board.

Sale of forfeited Shares

- 9.7 A forfeited Share becomes the property of the Company and may be sold or otherwise disposed of on the terms and in the manner determined by the Board in accordance with the Corporations Act 2001, the ACH Clearing Rules and the ASTC Settlement Rules and the Listing Rules.
- 9.8 While Stapling applies, any sale must also be in respect of the Units Stapled to those Shares.

Transfer and consideration

- 9.9 The Company may receive the consideration, if any, given for a forfeited Share on any sale or disposition of the Share and may execute a transfer of the Share in favour of the transferee. While Stapling applies, any transfer must also be in respect of the Units Stapled to those Shares.
- 9.10 On execution of the transfer the transferee must be registered as the holder of the Share. The transferee is not bound to see to the application of any money paid as consideration.
- 9.11 The title of the transferee to the Share is not affected by any irregularity or invalidity in connection with the forfeiture, sale, or disposal of the Share.

Liability of former Member

- 9.12 A person whose Shares have been forfeited ceases to be a Member in respect of the forfeited Shares but remains liable to pay to the Company all money that, at the date of forfeiture, was payable by him to the Company in respect of the Shares in addition to the amounts set out in clause 8.13.
- 9.13 The money which the former Member is liable to pay to the Company under clause 8.12 and which may be recovered at the discretion of the Board includes both of the following amounts:
- 9.13.1 Interest on the money for the time being unpaid.
- 9.13.2 The expenses incurred by the Company in respect of the forfeiture and sale of the Shares.
- 9.14 The liability of a defaulting Member ceases if and when the Company receives payment in full of all the money which the defaulting Member is liable to pay.

Statement of forfeiture

- 9.15 A statement in writing declaring that the person making the statement is a Director or Secretary, and that a Share has been duly forfeited on a date stated in the statement, may not be objected to by any person claiming to be entitled to the Share.

Non payment of other sums

- 9.16 The provisions of this document as to forfeiture apply in the case of non-payment of a sum that, by the terms of issue of a Share, becomes payable at a fixed time, as if that sum had been payable by virtue of a call duly made and notified.

10 Transfer of Shares

Form of transfer

- 10.1 Subject to this constitution and the Listing Rules, a share in the Company is transferable:

- 9.1.1 as provided for by the Operating Rules of a CS Facility if applicable; or
 - 9.1.2 by any other method of transfer which is required or permitted by the Corporations Act and ASX as applicable.
- 10.2 If a duly completed instrument of transfer:
 - 9.2.1 is used to transfer a share in accordance with article 9.1.2; and
 - 9.2.2 is left for registration at the share registry of the Company, accompanied by any information that the Directors properly require to show the right of the transferor to make the transfer,

the Company must, subject to the powers vested in the Directors by this Constitution, register the transferee as the holder of the Share.

Effect of transfers

- 10.3 Except as provided by any applicable Operating Rules of a CS Facility, a transferor remains the holder of the Shares transferred until the transfer is registered and the name of the transferee is entered in the Register in respect of the Shares.

Registration procedure

- 10.4 The document of transfer of Shares that is not a transfer regulated by a CS Facility must be left for registration at the Office, or at another place determined by the Board, accompanied by all of the following:
 - 10.4.1 The certificate for the Shares to which it relates, if any.
 - 10.4.2 Evidence that any fee payable on registration of the transfer has been paid.
 - 10.4.3 Evidence reasonably required by the Board to show the right of the transferor to make the transfer.
- 10.5 Except if this document permits the Board to refuse registration, the Board must register the transferee as a Member and retain the document of transfer.

Board power to refuse registration

- 10.6 The Board may refuse to register a transfer of Shares that is not an transfer regulated by a CS Facility where the Listing Rules permit the Company to do so.

Circumstances where registration prohibited

However, subject to that, if a Share is issued on terms that it ranks for dividend as from a particular date, that Share ranks for dividend from that date.
- 23.3 An amount paid on a Share in advance of a call must not be treated for the purposes of this clause 22 as paid or credited as paid on the Share.

Stapling

- 26.3 While Stapling applies, the Board must not issue Shares unless it is satisfied that each of those Shares will be Stapled to a Unit to form a Stapled Security.

Paramountcy of Stapling

- 26.4 While Stapling applies, no Director or any Member must do any act, matter or thing nor refrain from doing any act, matter or thing if to do so or refrain from doing so (as the case may be) would result directly or indirectly in any Ordinary Share no longer being Stapled as a Stapled Security.
- 26.5 While Stapling applies, the Board must use every endeavour to procure that the Stapled Securities are listed on ASX as one joint security and that Shares are dealt with under this document in a manner consistent with the provisions of the constitution of the Trust as regards Units Stapled with those Shares.
- 26.6 However, nothing in clause 25 prohibits the Board from determining the Unstapling Date.

Unstapling Date

- 26.7 Subject to the Corporations Act 2001, the Listing Rules and approval by special resolutions of the Members and the Unitholders of the Trust respectively, the Board may determine that the Stapling provisions of this document will cease to apply and that a particular date is to be the Unstapling Date.
- 26.8 On and from the Unstapling Date, each Share ceases to be Stapled to a Unit and the Board must do all things reasonably necessary to procure that each Share is Unstapled.
- 26.9 If the Board determines to Unstaple the Stapled Securities, this does not prevent the Board from (subject to the same resolutions of the Members and members of the Trust) doing the following:
- 26.9.1 Subsequently determining that the Stapling provisions should recommence.
 - 26.9.2 Stapling an Unstapled Share to a Unit which is not Stapled.

Variation of Stapling provisions

- 26.10 While Stapling applies, the consent of the Trustee must be obtained to any amendment to this document which does either of the following:
