EXPLANATORY NOTES

1. Financial Reports:

The Annual Report of the Company and its controlled entities for the year ended 30 June, 2014, which includes the Financial Report, the Directors' Report and the Auditor's Report, will be tabled at the meeting. There is no requirement for shareholders to approve these reports. However, shareholders will be allowed a reasonable opportunity to ask questions about, or make comments on, the Annual Report and the management of the Company.

2. RESOLUTION 1: Remuneration Report:

The Remuneration Report of the Company for the financial year ended 30th June 2014 is set out in the Directors' Report in the Company's 2014 Annual Report which is available on the Australian Securities Exchange announcements platform.

The Remuneration Report sets out the Company's remuneration arrangements for the Company's directors and Key Management Personnel. Shareholders will be provided with a reasonable opportunity to ask questions about the Remuneration Report at the meeting.

Shareholders will be asked to vote on the Remuneration Report. This resolution is advisory only and does not bind the Company or its directors. The Board will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies. Under the Corporations Act 2001 (Cth), if 25% or more votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's directors must go up for re-election.

The Company encourages all shareholders to cast their votes on Resolution 1 (Adoption of the Remuneration Report). Shareholders not attending the meeting may use the enclosed Proxy Form to lodge their vote by appointing a Proxy. Any undirected proxies held by the Chairman of the Meeting, other directors or other Key Management Personnel or any of their Closely Related Parties will not be voted on Resolution 1, unless the vote is cast by the Chairman of the Meeting pursuant to an express authorization on the Proxy Form made by a Shareholder who is entitled to vote on Resolution 1.

3. RESOLUTION 2: ELECTION OF DIRECTOR

In accordance with the Constitution of the Company and ASX Listing Rule 14.4, Trent Franklin has retired as a Director and being eligible, offers himself for re-election.

The Directors, other than Trent Franklin who abstains from making a recommendation, recommend that shareholders vote in favour of Resolution 2.

Mr Trent Franklin was appointed as Non-Executive Director of the Company, in the role of Non-Executive Chairman on 28 February, 2013. Trent offers himself for re-election to the Board as Director. If elected, Mr. Franklin will resume his role as Non-Executive Chairman of the Company.

Mr. Franklin is a qualified geologist and holds a Bachelor of Science (Geology) degree from the University of Sydney. He is currently Managing Director of Enrizen Financial Group, a diverse financial services and corporate advisory firm based in Sydney. Mr Franklin was previously a Director of the Australian Olympic Committee and Director of Australian Water Polo.

4. RESOLUTION 3: ISSUE OF ADDITIONAL 10% OF SECURITIES IN ACCORDANCE WITH LISTING RULE 7.1A

ASX Listing Rule 7.1A provides eligible mid to small cap listed entities with the ability to seek shareholder approval to issue equity securities equivalent to an additional 10% of the number of ordinary securities on issue by way of placements over a 12 month period ("Placement

Facility”). This 10% Placement Facility is in addition to the 15% placement capacity allowed under Listing Rule 7.1

Listing Rule 7.1A

It is a condition of Listing Rule 7.1A that Approval must be sought from ordinary security holders by special resolution at the annual general meeting (AGM). The approval will be valid for a maximum of 12 months from the date of the AGM.

For the purposes of ASX Listing Rule 7.3, the following information is provided:

The maximum number of securities (“Equity Securities”) to be allotted is 10% of the issued capital at the time of issue determined in accordance with the formula prescribed in Listing Rule 7.1A.2 and as detailed below.

It is noted that no ordinary shares were issued under Listing Rule 7.1A in the preceding 12 months, therefore disclosure under 7.3A.6 is not required.

Issue to be in same class as existing quoted Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as existing quoted securities of the Company.

As at the date of this Notice, the Company has on issue only one class of Equity Securities which are Ordinary Class fully paid shares.

Formula for calculating the 10% Placement Facility

The number of Equity Securities that may be issued under the 10% Placement Facility in accordance with Listing Rule 7.1A.2 may be calculated in accordance with the following formula:

$$(A \times D) - E$$

Where

A is the number of shares on issue 12 months before the date of issue or agreement to issue:

- i. Plus the number of fully paid shares issued in 12 months under an exception in Listing Rule 7.2;
- ii. Plus the number of partly paid shares that became fully paid in the 12 months;
- iii. Plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the company’s 15% placement capacity without shareholder approval;
- iv. Less the number of fully paid shares cancelled in the 12 months

Note that **A** has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under the Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

As the date of this Notice, the Company has only 265,622,962 Ordinary Class of shares on issue. Therefore the total number of Equity Securities that may be issued as at the date of this Notice is 26,562,296 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue in accordance with the formula prescribed in Listing Rule 7.1A.2 and as detailed above.

Minimum Issue Price

The issue price of the Equity Securities will be no less than 75% of the VWAP of the Equity Securities in the same class of securities traded on the ASX during the 15 trading days on which trades in the class were recorded immediately prior to:

- i. The date on which the price at which the Equity Securities are to be issued is agreed; or
- ii. If the equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the equity Securities are issued.

Placement Period of 10% Placement Facility

If shareholders approve the 10% Placement Facility, the right to issue the Equity Securities will be valid from the date of the AGM at which the approval is obtained and expires on the earlier occurrence of:

- i. The date that is 12 months after the date of the AGM at which the approval is obtained; or
- ii. The date of the approval by shareholders of a transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or 11.2 (disposal of main undertaking),

Or such longer period as allowed by the ASX at its discretion (the 10% Placement Period).

Effect of Resolution 3

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the allowed period without using the Company's 15% placement capacity under Listing Rule 7.1

Resolution 3 is a special resolution and will therefore require the approval of 75% of the votes cast by shareholders, proxyholders, attorneys or corporate representatives, as the case may be, who are present and eligible to vote.

Use of Funds Raised

The Company will use any funds raised by the issue of the Equity Securities for any purpose determined as worthwhile by Directors, including non cash consideration for the acquisition of a new business and/or investments, cash considerations for investments, working capital and expansion of operations.

Where Equity Securities are issued to raise working capital, the Company will issue the securities to either sophisticated or professional investors or otherwise in accordance with Section 708 of the Corporations Act 2001;

Specific Information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the approval of the 10% Placement Facility:

- a. The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in the class were recorded immediately before:
 - i. The date on which the price at which the Equity Securities are to be issued is agreed; or
 - ii. If the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

The VWAP used to perform this calculation will be sourced from ASX Customer Service or from any reputable information service provider. The Company will disclose the 15 day VWAP figure, and the source of the VWAP data, when it announces an issue of any Equity Securities under listing rule 7.1A

- b. If resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
 - i. The market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - ii. The Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable “A” calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- i. Two examples where variable “A” has increased by 50% and 100%. Variable “A” is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- ii. Two examples where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price

Variable ‘A’ in Listing Rule 7.1A.2		DILUTION		
		2.25 cent 50% Decrease in issue price	4.5 cent Issue Price	6.75 cent 50% Increase in issue price
Current Variable ‘A’ 265,622,962	10% Voting Dilution	26,562,296 shares	26,562,296 shares	26,562,296 shares
	Funds Raised	\$597,652	\$1,195,303	\$1,792,955
50% Increase in Current Variable ‘A’ 398,434,443	10% Voting Dilution	39,843,444 shares	39,843,444 shares	39,843,444 shares
	Funds Raised	\$896,477	\$1,792,955	\$2,689,432
100% Increase in Current Variable ‘A’ 531,245,924	10% Voting Dilution	53,124,592 shares	53,124,592 shares	53,124,592 shares
	Funds Raised	\$1,195,303	\$2,390,607	\$3,585,910

The table has been prepared on the following assumptions:

- i. The Company issues the maximum number of Equity Securities available under the 10% Placement Facility
- ii. No options (including any options issued under the 10% Placement Facility) are exercised before the date of the issue of the Equity Securities.
- iii. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- iv. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder’s holding at the date of the Meeting.

- v. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - vi. The Issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes options, it is assumed that those options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders
 - vii. The issue price is 4.5 cents being the closing price of the Shares on the ASX on 22 October, 2014.
- c. The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking)
- d. The Company may seek to issue the Equity Securities for the following purposes:
- i. Non cash consideration for the acquisition of a new business and/or investments or any other purpose determined as worthwhile by the Directors. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - ii. Cash consideration. In such circumstances, the Company intends to allocate the funds towards additional working capital

The Company will comply with the disclosure obligations under the Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- iii. The methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- iv. The effect of the issue of the Equity Securities on the control of the Company;
- v. The financial situation and solvency of the Company; and
- vi. Advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related parties of the Company.

Further, if the Company is successful in acquiring a new business or making any investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new business or investment.

- e. The Company has not previously obtained Shareholder approval under Listing Rule 7.1A.
- f. A Voting Exclusion Statement is included with this Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

The terms of the Equity Securities to be issued, if ordinary shares, are as detailed above in respect to their issue price and in respect to their rights are the same as all other ordinary shares issued by the Company as specified in the constitution of the Company.
