Dear Sir /Madam

Supply of Parcel Lockers to US Logistics Company

TZ Limited (“**TZL**”, the “**Company**”) refers to its announcement on 28 May 2014 concerning an initial purchase order for the supply of parcel lockers to the US market and is pleased to announce that its wholly owned subsidiary Telezygology, Inc. has now successfully supplied, installed and commissioned the Parcel Lockers under that initial purchase order for a major international US Logistics and Transportation Corporation at nine locations in the Greater Chicago area. The Parcel Lockers have been supplied and will be serviced and maintained as part of this first Work Order under a structured multi-year umbrella supply and service agreement.

The Company, at this time, is not permitted to disclose the name of the organisation or further details about the agreement due to confidentiality obligations.

About TZ Limited

TZ Limited (“**TZ**”) is a technology company that is listed on the Australian Stock Exchange. TZ is the leader in SMARt Device™ technology combining state-of-the-art SMA actuated intelligent fastening and locking devices with TZ remote software control. TZ’s systems deliver asset level protection and compelling solutions for security, monitoring and control applications across a number of market segments. The Company currently supplies market leading solutions to major corporations worldwide to the Data Centre industry and in the Automated Parcel Locker and E-Commerce market.
