* Treasury Units are units held by the Trust to provide bid and offer prices around the Trust's Net Asset Value per Unit on the ASX.

About the Aurora Dividend Income Trust

The objective of the Trust is to maintain a permanent exposure to companies that pay fully franked dividends whilst reducing their market exposure. The aim is, relative to the Australian equity market, to provide investors with:

- greater total returns over rolling 5 year periods;
- more income and franking credits each year; and
- less volatility.

Yours faithfully

Aurora Funds Management Limited

as responsible entity for

Aurora Dividend Income Trust (Managed Fund)

Steuart Roe
