Dear Sir /Madam

Purchase Orders for Day Locker Management System for Westpac Offices

Further to the announcement on 11 April 2014 ("Preferred Day Locker Management System for Top 4 Bank"), TZ Limited ("TZ", the "**Company**") is pleased to announce that it has signed a multi-million dollar supply contract with Fredon Industries Pty Limited ("**Fredon**") for the supply of the electronic locking solution and software management system for employee day lockers to be deployed at Westpac's new offices at Barangaroo, Sydney. Supply will commence immediately and should complete in early 2015.

This is additional to the Purchase Orders received from ACG Fire and Security Pty Limited for Westpac's new offices at 150 Collins Street, Melbourne and their head office at 275 Kent Street, Sydney, which was announced by the Company on 27 May 2014.

Fredon is a leading supplier of electrical security, communications, data and HVAC Services to government, large corporations and the industrial and construction sectors. Fredon has been awarded the supply and installation contract for the above system from builder Lend Lease, who is responsible for the construction of three new commercial towers at Barangaroo, called International Towers Sydney (ITS).

ITS has been benchmarked against the best office developments in New York, London, Hong Kong, Singapore and Shanghai and will demonstrate the latest thinking in workplace design and sustainability and be occupied by a number of large financial and professional services corporations.
