Storm update – No financial impact on A.P. Eagers

Yesterday's storms in Brisbane caused significant hail damage to motor vehicles and minor damage to other property of A.P. Eagers Limited (ASX: APE).

However, due to the high quality and full insurance coverage maintained by A.P. Eagers, the storm damage is not expected to have any material financial impact on the company.

Representatives of our insurers were on the ground visiting affected dealerships and assessing damage last night and the process continues today.
