Dear Shareholders and Directors

I would like to thank all shareholders present for their attendance at today's meeting. I am pleased that Mr Adrian Horbach, my co director, is here to answer questions on the company. I apologise for Mr Sim not being in attendance here today but he does have other commitments.

Audited Accounts for the years ended 30th June 2008, 2009 2010, 2011, 2012 and 2013 will be available in the next three weeks. We are working on the June 2014 and December 2013 accounts to bring the company accounts up to date. We are still finalising agreements for our Dizon and Masbate projects with our Filipino Partners and hope to release an NOM early 2015 to approve the resolutions necessary to proceed with the relisting of the company.

The company is in the process of raising \$200k by convertible loan to fund its working capital requirements.

Sincerely
Tony Crimmins
