Company Announcements Office
ASX Limited

Confirmation of Completion of Share Placement- Amendment

Further to the announcement on the Confirmation of Completion of Share Placement this morning, this is to rectify that the number of ordinary share issued is only 17,000,000.

ASX Listing Rule 3.10.5A is not a requirement for the Placement of share, the information of the dilutive effect of the Placement was released to better inform the public.

Any inconvenience caused is very much regretted.
