

## ASX & Media Release

### Key dates 2015

#### 16 December 2014

AGL Energy Limited (AGL) has today advised the Australian Securities Exchange of key reporting and dividend dates for 2015.

Beginning with the 2015 interim results, the reporting dates for profit results and the dates on which dividends are declared will be two weeks earlier than in previous years. AGL's directors have also taken this opportunity to shorten by a further one week the interval between the date on which a dividend is declared and the date on which it is paid to shareholders.

Brett Redman, Chief Financial Officer stated: "We've responded to feedback from our shareholders who expressed a desire to see earlier payment of dividends. This has been enabled by the strength of AGL's operational cash flow."

The dates are detailed in Annexure 1.
