Energy One Limited – Profit Guidance Update

Energy One Limited (ASX: EOL) expects to report a NPBT (net profit before tax) of at least \$0.35M for the half year ended 31 December 2014. The corresponding figure for the half year ended 31 December 2013 was a loss of (\$0.20M).

This is a pleasing result and represents an improvement of over \$0.55M when compared to the half year ended 31 December 2013. Revenues are have increased at least 175% above the half year ended 31 December 2013.

Energy One has been proceeding with the implementation of its products at two major customers and completed the implementation at another. Revenues from these projects will continue to be realised over the remaining installation period and from license fees and on-going product support.

The Company is pleased to report this profit guidance and seeks to capitalise upon its recent success.
