

ASX & Media Release

AGL's Group General Manager of Upstream Gas to retire

18 December 2014

Mike Moraza has informed AGL Energy Limited (AGL) of his intention to retire from his role as Group General Manager of Upstream Gas, with effect from 31 March 2015.

An internal and external search process will be undertaken to find a suitable replacement for the role.

About AGL

AGL is one of Australia's leading integrated energy companies and largest ASX listed owner, operator and developer of renewable energy generation in the country. Drawing on over 175 years of experience, AGL operates retail and merchant energy businesses, power generation assets and an upstream gas portfolio. AGL has one of Australia's largest retail energy and dual fuel customer bases. AGL has a diverse power generation portfolio including base, peaking and intermediate generation plants, spread across traditional thermal generation as well as renewable sources including hydro, wind, landfill gas and biomass. AGL is taking action toward creating a sustainable energy future for our investors, communities and customers.
