

## **New starter at Trade Me – Stuart McLean**

Trade Me has appointed Stuart McLean to join its executive team and lead Trade Me's general items marketplace.

Mr McLean is currently the Chief Revenue Officer at Xero. Prior to Xero, he worked for Google in Australia for three years as Head of Enterprise for Australia and New Zealand. He has previously held executive positions at Oracle and Chandler MacLeod, and founded and ran a distributor for the cloud ERP solution NetSuite.

Trade Me CEO Jon Macdonald said he was looking forward to Mr McLean joining the executive team. "It's fantastic to have someone of such high calibre joining us – Stuart's strong experience and great energy is going to be a real asset for Trade Me."

Mr McLean said the role was an exciting new challenge for him. "Trade Me is one of New Zealand's best-known businesses and has a unique place in the hearts of Kiwis. I can't wait to help Trade Me press on with its plans for growth."
