

## **ASX Announcement**

20 January 2015

### **Grant of International Patents for CertainID in China and the USA**

The Directors of Kollakorn Corporation Limited (ASX: **KKL**) are pleased to advise the grant of international patent protection of the **CertainID™** patents in Australia, China, and the USA.

The Company is still awaiting advice of grant in Europe, India, Malaysia and Korea.

The Directors are particularly pleased with the grant of patents in China and in the USA as these are both very large markets for the use of the technology.
