Dear Simon

**Vocation Limited – Request for Voluntary Suspension**

Vocation Limited (ASX Code: VET) refers to its request for a trading halt dated 19 January 2015 in relation to certain financial reviews currently in progress.

In accordance with ASX Listing Rule 17.2, the Company requests an immediate voluntary suspension of trading in its securities so that the Company can finalise those reviews and as a result possible changes to its arrangements with its financiers. The Company then intends to provide the market with updates in relation to its earnings guidance and finance arrangements.

A Board meeting to evaluate the progress of the financial reviews and discussions with its financiers has been scheduled for Tuesday, 27 January 2015. The Company expects to provide the intended announcement on Wednesday, 28 January 2015, noting however that the significant nature of the reviews underway and the discussions with financiers means that the Company will only do so if able on a fully informed basis.

The Company requests that the voluntary suspension remain in place until when the Company is able to make the intended announcement.

The Company is not aware of any reason why the voluntary suspension should not be granted.

Yours sincerely
