Urbanise signs HSA with Concordia DMCC

Urbanise.com Limited (Urbanise) (ASX:UBN) announced today that it has entered into a hosted services agreement with Concordia DMCC, the UAE's most innovative integrated facilities management service provider.

Under the agreement, Concordia DMCC will use the Urbanise Platform to enable customer self service and integrated workforce management. Use of the Urbanise Platform will start immediately, with Concordia initially providing its customers with a dedicated self-service portal for a luxury villa community located in Dubai.

Urbanise CEO Ben Churchill said, *"We are delighted to be associated with Concordia DMCC, adding another premium leader in the region to the Urbanise customer list. Changing demands of building occupants is driving new ways of thinking around service delivery and creating real customer value. Concordia is at the forefront of this thinking and we look forward to expanding our commercial relationship with them."*

Concordia provides high quality services to more than 80,000 people daily through the management of more than 10 million square feet of residential and commercial property, 30,000 parking bays, 20kms of road networks, 4km of lakes and 40kms of irrigation infrastructure.
