## About NEXTDC

As Australia's leading Data-Centre-as-a-Service (DCaaS) provider, NEXTDC is revolutionising cloud computing in Australia.

An ASX300 company and the only independent data centre operator with a strategic footprint in all major growth markets in Australia, NEXTDC offers a range of highly flexible, resilient and secure colocation services to corporate, government and IT services companies.

NEXTDC's purpose-built facilities have been designed to address the market's growing appetite for energy-efficient carrier-neutral data centres in which organisations can host critical IT infrastructure and selectively source services through their diverse national ecosystem.

NEXTDC is where the cloud lives.
