ASX ANNOUNCEMENT

DIRECTOR CHANGES

The Board of Orion Metals Limited ('ORM') announces that Dr Michelle Li has been appointed to the Board as a Director nominated by the Company's second largest shareholder, Jien Mining Pty Ltd.

She replaces Dr Tao Li who previously represented Jien. The two Drs Li are not related.

Michelle Li, PhD, GAICD, is non-executive chairman and member of the Audit and Remuneration & Nomination Committees of ASX-listed Grange Resources Limited ('GRR') where she has been a director since October 2013.

Dr Li is a mineral processing engineer and metallurgist with over 20 years' experience in the Australian mining sector. Her experience includes senior roles at Citic Pacific, Rio Tinto and Iluka Resources, as well as a senior project role at the Grange Resources Southdown project.

Michelle Li has a PhD from the University of Queensland and was previously a non-executive director of ASX-listed Sherwin Iron Limited during 2012-13.

About Orion

Orion Metals Limited (ASX:ORM) is a Rare Earth Element (REE) and Gold explorer with exploration projects in the highly prospective metal provinces of the Tanami Desert of Western Australia, the Cloncurry Mining District of Western Queensland, and Mount Surprise in Northeast Queensland.
