Notes

+ See chapter 19 for defined terms.

1. The monthly report provides a basis for informing the market how the entity's activities have been financed for the past month and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
2. The definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report except for any additional disclosure requirements requested by AASB 107 that are not already itemised in this report.
3. **Accounting Standards.** ASX will accept, for example, the use of International Financial Reporting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.

Commentary

Operation

The Company's outlook remains positive with continued growth anticipated. It is expected that the Group will continue to yield positive results in 2014-15 especially within the Asian Business Division.

Positive growth is expected in the months ahead which will address any negative cashflow in the short to medium term.
