## 1&2 Statutory Reports and shareholder questions

The Financial Report, Directors' Report and Auditor's Report for Capral for the year ended 31 December 2014 will be laid before the Meeting in accordance with section 317 of the Corporations Act.

The Chairman will allow a reasonable opportunity for shareholders to ask questions or make comments about those reports and about the management of Capral in accordance with section 250S of the Corporations Act. Shareholders will also be given a reasonable opportunity to ask the Auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report in accordance with section 250T of the Corporations Act.

## 3. Election of Directors

Article 69(a) of Capral's Constitution (which is consistent with ASX Listing Rule 14.4) provides that no director shall hold office for a continuous period in excess of 3 years or past the third AGM following the director's appointment, whichever is longer, without submitting for re-election. Article 69(b) provides that a retiring director is eligible for re-election without needing to give any prior notice of an interest to submit for re-election and shall hold office as a director until the end of the Meeting at which the director retires.

Accordingly, at this AGM, Mr Rex Wood-Ward is obliged to retire in accordance with Article 69(1) of Capral's Constitution and Listing Rule 14.4 and is eligible for re-election.

Mr Rex Wood-Ward was appointed as a non-executive director on 6 November 2008 and is Chairman of the Board and the Remuneration & Nomination Committee and a member of the Audit Committee. Mr Wood-Ward has over 40 years of international experience in general management, mergers and acquisitions, corporate strategy and structuring, including in manufacturing and distribution.

For the reasons set out above, the other Directors of Capral unanimously support the re-election of Mr Rex Wood-Ward.

## 4. Adoption of Remuneration Report

The Remuneration Report (which forms part of the Directors' Report) sets out Capral's remuneration for the Managing Director, executives and non-executive directors.

Section 250R(2) of the Corporations Act requires that at a listed company's annual general meeting, a shareholders' resolution that the Remuneration Report be adopted must be put to the vote.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Meeting, in accordance with section 250SA of the Corporations Act.

### Non-binding resolution on Remuneration Report

The resolution to adopt the Remuneration Report is advisory only and will not bind the directors or Capral, however, the Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies.

Capral encourages shareholders to cast their votes in favour of Resolution 4 (Adoption of Remuneration Report).

## 5. Issue of Share Rights to Anthony Dragicevich

Mr Dragicevich was appointed to the Board on 15 April 2013.

The Board values the contribution of Mr Dragicevich and considers it is in the best interests of Capral to align Capral's Managing Director with the interests of shareholders and retain his services.

ASX Listing Rule 10.14 requires shareholder approval by ordinary resolution before a director can be issued securities in Capral under an employee incentive scheme.

Shareholder approval is sought for the issue of Share Rights to Mr Dragicevich under Capral's Long Term Incentive Plan. Specific details of the proposed issue are set out below. A **Share Right** is a right to be issued one Capral share (**Share**) for nil exercise price upon the satisfaction of certain vesting conditions.

The Board, in its discretion, may satisfy some or all of the Share Rights by acquiring existing Shares rather than issuing new Shares.

### Number of Share Rights and Issue Price

On obtaining shareholder approval, Capral will issue 2,500,000 Share Rights to Mr Dragicevich for nil consideration. The Share Rights are subject to service requirements and vesting criteria over a three year performance period from 1 January 2015 to 31 December 2017.

### Timing of grant and vesting

The grant date of the Share Rights will be on or about the date of shareholder approval, but in any event no later than one month after the AGM. The vesting date of the Share Rights will be 1 March 2018.

### Vesting conditions

Vesting of the Share Rights is subject to hurdles that Mr Dragicevich remains employed at Capral on the vesting date and meets certain performance hurdles; 50% of the Share Rights are subject to an Earnings Per Share performance condition (**EPS condition**) and 50% of the Share Rights are subject to a Total Shareholder Return (**TSR**) performance condition (**TSR condition**).

The Share Rights that are subject to the EPS condition would be granted in 3 equal tranches. An Earnings Per Share target is set each year based on the Net Profit Before Tax Target as specified by the Board (adjusted for any extraordinary items approved by the Board) divided by the weighted average number of securities on issue during the year. The Net Profit Before Tax Target used for this condition is set at minimum Budget level which must exceed the level of the previous year's actual performance. The Board may adjust

Earnings Per Share to exclude the effects of material business acquisitions or divestments and certain one-off costs.

Adjustments would be disclosed. Performance is measured on 31 December each year within the three year period. If the EPS condition for that year is met, the Share Rights in the applicable tranche will vest as at the vesting date, provided Mr Dragicevich remains employed by Capral as at that date

The TSR condition is measured against the entities with ordinary shares and units (as the case may be) included in the S&P/ASX All Ordinaries Index as at 1 January 2015 but excluding those companies who are classified in the Global Industry Classification Standard sector number 40.

The number of Share Rights subject to the TSR condition which may vest will be determined by comparing Capral's TSR against the TSR of each member of this comparator group over the same period, and the percentile position of Capral within that comparator group as set out below:

| Percentile of TSR                | % Rights Vesting                 |
|----------------------------------|----------------------------------|
| Less than 50th                   | None                             |
| 50th                             | 50                               |
| More than 50th<br>less than 75th | Between 50 and 100<br>(pro rata) |
| More than 75th                   | 100                              |

If Mr Dragicevich's employment is terminated by Capral other than for cause all of the unvested the Share Rights will immediately vest. Unvested Share Rights lapse upon Mr Dragicevich ceasing to be employed by Capral in circumstances other than the above. In the event of fraud, misstatement or misrepresentation of the financials, the Board has the ability to forfeit some or all of the Share Rights and any Shares issued on vesting of those rights.

The Share Rights confer no rights to dividends or other distributions, or to participate in a new offer of shares unless and until the Share Rights have vested and Shares are issued by Capral.

### Other information

For the purposes of ASX Listing Rule 10.15, the following additional information is provided for shareholders.

- » Mr Dragicevich is a related party of Capral because he is a Director.
- » The acquisition price for the Share Rights is nil and no money is payable by Mr Dragicevich for a Share on the vesting of a Share Right.
- » No loans will be made in relation to the acquisition of the Share Rights or Shares by Mr Dragicevich.

- » There have been no issues of securities to Capral directors or their associates under the Long Term Incentive Plan since the issue of 2,000,000 Share Rights to Mr Dragicevich at nil acquisition price, in accordance with the approval given at the 2014 AGM.
- » All directors of Capral are eligible to participate in the Long Term Incentive Plan. As at the date of this Notice these are Mr Dragicevich, Rex Wood-Ward, Philip Jobe, Ian Blair and Graeme Pettigrew.
- » No funds will be raised by the issue of the Share Rights or Shares upon vesting.

In addition, shareholder approval under Listing Rule 10.14 will mean that approval is not required for the issue of Share Rights and Shares to Mr Dragicevich under Listing Rule 7.1. This listing rule normally imposes a 15% cap on the number of equity securities that can be issued by Capral without approval of shareholders in any rolling twelve month period. However, Resolution 5, if passed, will provide an exception to the rule in this case.

### **Accelerated vesting and potential termination benefit**

As noted above, the Share Rights will vest on an accelerated basis in certain limited circumstances, including on a cessation of employment from Capral other than by reason of voluntary resignation or dismissal for cause.

The accelerated vesting of the Share Rights in these circumstances may be considered a retirement benefit. Shareholder approval is being sought for these benefits under section 200E of the Corporations Act.

Section 200B of the Corporations Act requires Capral to obtain shareholder approval before giving a benefit to a director in connection with the director's retirement from office unless the benefit falls within certain exceptions set out in the Corporations Act. A payment will only fall within those exceptions if the amount is less than a prescribed multiple of the director's base remuneration and if the nature of the payment falls within one of the categories set out in the Corporations Act. It is unlikely that these exemptions would apply.

Capral therefore seeks shareholder approval for the purposes of section 200E of the Corporations Act and for all other purposes.

The total value of the termination benefits that may accrue to Mr Dragicevich will depend on the market price of Capral Shares at the time the Share Rights vest.

### **Effect of not approving issue of the Share Rights, and Recommendation**

There are no adverse consequences if approval is not given for the issue of the Share Rights. However, to ensure Capral can attract and retain the right talent, the Board considers it is important for Capral to offer incentives to its directors and executives that are in line with market practice.

### **Director recommendation**

The Board considers that the award is an appropriate incentive in the best interests of Capral and therefore recommends (with Mr Dragicevich abstaining from making a recommendation) that shareholders vote in favour of Resolution 5.
