Clarification regarding Record Date for Nanosonics Share Purchase Plan

Nanosonics (ASX:NAN), today announced that will offer each eligible shareholder the opportunity to subscribe for up to A\$15,000 in Nanosonics shares under a Share Purchase Plan (SPP).

In today's announcement it was indicated that the Record Date for participation in the SPP was 3 March 2015. Clause 12 of Listing Rule 7A requires the Record Date for an SPP to be 1 business day before the announcement date of the SPP. Accordingly, the Record Date for the SPP is 4 March 2015.

It should be noted that because Nanosonics' securities were in a Trading Halt status on 3 and 4 March 2015 there is no impact on Nanosonics' shareholders' ability to participate in the SPP.

As previously advised, full details of the SPP will be set out in the documentation to be sent to Eligible Members in approximately one week.

The key dates for the SPP are set out below.
