At the Annual General Meeting held on 29 October 2014 Shareholders approved additional returns of capital during the period ended 31 December 2015 and the capital component of this payment falls under that approval. While the Company has labelled 50% of this distribution as a "Return of Capital", the Company has not yet approached the Australian Tax Office for confirmation of the nature of this payment but will do so during the 2015 financial year and subsequently advise the market of the outcome.

No re-investment plan will apply to this payment.

Yours sincerely,

Sam Jackson Company Secretary
