BQT SOLUTIONS SIGNS NORTH AMERICAN DISTRIBUTION AGREEMENT WITH TRANSTECH SYSTEMS, INC.

MaxSec Group Limited (ASX: MSP), today announced that its division, BQT Solutions America, Inc. has appointed TransTech Systems, Inc. as a non-exclusive distributor of both BQT Solutions Smart Readers and Biometrics and Electric Locking products in the United States of America and Canada.

TransTech Systems, Inc. a wholly owned subsidiary of Visualant, Inc. is in the business of providing industry-leading identification solutions, and is a premier value-added distributor for RFID Solutions. Coupling world-class RFID hardware with industry expertise, responsive support and outside-the-box problem solving, TransTech Systems, Inc. let integrators focus on their clients, not their vendors.

MSP's CEO, Geoff Cleaves, said "Our strategy to introduce BQT Solutions recently released distribution range of our Smart Reader, Biometrics and Electronic Locking products, including our miniguard™ series, into the Americas is a further advancement of our international expansion strategy. We believe that we will have a strong long term relationship with Transtech Systems Inc. as the Company broadens its product offering to its well established and growing customer base. "
