March 2015 Quarterly Report

Regional Expansion Commenced

- Successful acquisition of Arte Mobile Technology Pte Ltd

iSentric Limited (ASX: ICU) is pleased to report on the Company's activities for the quarter ended 31 March 2015.

Corporate

During the quarter, the Company completed the acquisition of Arte Mobile Technology Pte Ltd on 12 February 2015. The acquisition was funded through the issue of \$9.5 million worth of new shares in ICU valued at \$0.25 and cash consideration of \$7.5 million.

Since acquisition Arte Mobile has contributed approximately 18% to the Group's revenue for this quarter. The Group's EBITDA of \$467,690 (excluding non-recurring corporate expenditure) in Q3 2015 represents an increase of 278% on the previous quarter. iSentric's management believe that the synergistic benefits of the acquisition coupled with the market potential of Indonesia will allow Arte Mobile to maintain it's positive contribution to the Group. Several key strategies to exploit the synergies have already been implemented, key among them is the development and mass marketing of creative digital media that is based on popular local celebrities that represent the zeitgeist of the youth in the local market.

iSentric's Board and Management team will continue to assess new investment opportunities to add value to the existing business for the benefits of all shareholders.
