

Axiom Mining in discussions to fund and develop Isabel Nickel Project

Axiom Mining Limited ("Axiom" or "the Company") is in negotiations with project financiers, mine service firms and nickel ore consumers regarding funding, sales and development opportunities in relation to the Company's Isabel Nickel Project in Solomon Islands.

Axiom has previously announced its project timetable that includes the Isabel Nickel Project being in production, with first shipment of ore, by the end of 2015.

The Company is considering several financing proposals and continues to ensure that capital is sourced and deployed efficiently, and that development milestones are delivered on schedule.

Axiom will make the appropriate announcement(s) to the market on finalisation of any material contracts and agreements.

About Axiom Mining Limited

Axiom Mining Limited focuses on tapping into the resource potential within the mineral-rich Pacific Rim. Through dedication to forging strong bonds and relationships with the local communities and governments where we operate, Axiom Mining has built a diversified portfolio of exploration tenements in the Asia Pacific region. This includes a majority interest in the Isabel nickel deposits in the Solomon Islands. The Company also owns highly prospective gold, silver and copper tenements in North Queensland, Australia. The Company is listed on the ASX. For more information on Axiom Mining and details on our activities, please refer to our company website at www.axiom-mining.com
