

Clime Investment Management Limited ("CIW")
ACN 067 185 899

The Board of Clime Investment Management Limited (Clime) (ASX: CIW) wishes to announce that Clime will acquire the remaining 50% of shares in Stocks in Value Pty Limited (Stocks in Value) from Eureka Report Pty Limited (Eureka). The transaction is scheduled to complete on 30 June 2015.

On completion of the transaction Clime will move to 100 per cent ownership of Stocks in Value and bring to a conclusion the joint venture between Clime and Eureka which commenced on 4 March 2013.

Eureka and Clime have worked well together over the past 28 months in re-launching a substantially improved Stocks in Value product. Recently the product was further enhanced with international stock valuations and model portfolios.

The Board is also pleased to announce that the partnership established between Clime and Eureka will continue into the future through an agreement to provide a range of services to each other.
