**Trade Me corrects media report regarding Fisher & Paykel Finance**

Trade Me Group Limited (TME) is aware that an article published in today's Australian Financial Review asserts that Trade Me is one of a number of companies preparing to submit final offers for the assets of Fisher & Paykel Finance.

Trade Me's policy is generally not to comment on market speculation.

However, given the nature of the assertions in the article and its disclosure obligations as a listed company, Trade Me confirms that it is not participating in any process for the acquisition of the Fisher & Paykel Finance business.
