Request for Trading Halt

In accordance with ASX Listing Rule 17.1, Gold Mountain Limited (**GMN**) requests a trading halt of GMN's securities pending the release of an announcement.

In accordance with ASX Listing Rule 17.1, we outline as follows:

1. The reason for the request for the trading halt is to allow GMN to preserve confidentiality during the finalisation and execution of documentation regarding the ongoing acquisition of the PNG Project and related matters.
2. We request that the trading halt last until GMN makes its announcement in relation to this acquisition which will be subject to shareholders' approval at a general meeting. We anticipate that the announcement will be made no later than prior to the commencement of trading on Monday, 3 August 2015.
3. The release of the announcement will end the trading halt.
4. We are not aware of any reason why the trading halt should not be granted.

Yours sincerely
