Notes

1. The monthly report provides a basis for informing the market how the entity's activities have been financed for the past month and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
2. The definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report except for any additional disclosure requirements requested by AASB 107 that are not already itemised in this report.
3. **Accounting Standards.** ASX will accept, for example, the use of International Financial Reporting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.

+ See chapter 19 for defined terms.

Commentary

Operation

As announced to the market on 21 July 2015, Byte Power Group Limited expects an improvement in operating profit of approximately 680% for the full 2014-15 financial year compared to the previous corresponding period (2013-14: \$40K). Furthermore, an increase in operating sales revenue by approximately 10% for the full 2014-15 financial year is expected compared to the previous corresponding period (2013-14: \$4.32M).

This is based on the Group's consolidated management accounts which is subject to any adjustments arising from the Group's full year audit process.

Byte Power Group Ltd continues to build on existing business opportunities as well as exploring new opportunities across all business segments.
