

ASX Release 10 August 2015

Material Federal Government Contract

NEXTDC Limited (ASX: NXT) ("NEXTDC" or "the Company") is pleased to advise that it has entered into a contract with the Federal Government for the provision of data centre services.

The contract is for operation over a six year term with options for extension, and is valued at approximately \$35 million before factoring in any revenue derived from power recharge. Revenue recognition will commence in the second quarter of FY16 and ramp up to full billing over the next 24 months.

Due to the critical and sensitive nature of the infrastructure the department, location and use will not be made publicly available.

ENDS

Note no details about the data centre services or the specific Government purpose will be provided.
