ASX Company Announcements

14 August 2015

The Manager
Australian Securities Exchange
20 Bridge Street
Sydney NSW 2000

Net Tangible Asset Value (NTA) as at 31 July 2015 on a Company Basis

Armidale Investment Corporation Limited (AIK) has determined that AIK falls within the definition of Investment Entity as set out in the Australian Accounting Standards Board (AASB) AASB 2013-5 *Amendment to Australian Accounting Standards – Investment Entities*.

Due to the adoption of AASB 2013-5, there is only one NTA to be reported, the Company basis.

The unaudited NTA value per share (after all taxes, fees and expenses) for 31 July 2015 is reported below:

| | Company |
|-------------------|--------------------|
| Net Assets | \$56,924,191 |
| Intangible Assets | \$ 369,313 |
| NTA | \$56,554,878 |
| NTA per share | 14.27 cents |

It is noted that AIK's accounting treatment under AASB 2013-5 *Amendment to Australian Accounting Standards – Investment Entities*, is a separate exercise and unrelated to the requirements and definition of an Investment Entity (or "LIC") under Chapter 19 of the ASX Listing Rules.
