### **SubZero Group Limited Awarded Contract with BHP Billiton**

SubZero, through a Variation to an existing contract, has been selected as one of the Contractor Providers for onsite and offsite repair, refurbishment and fabrication of mining equipment and components at BHP Billiton's Mt Arthur Coal mine.

This contract covers all works on and offsite for the Mine Workshop, Field Maintenance and the Coal Handling and Preparation Plant.

The total contract value in which SubZero Group will share is \$20m per annum which was reflected in the revenue pipeline of \$75m referred to in the Company's Market Update dated 29 June 2015 .

SubZero Group's diverse service offering and geographical location was instrumental in achieving the contract award.

Joe Clayton, SubZero Group CEO today said:

"We are delighted to continue providing services to BHP Billiton. We feel that it demonstrates SubZero's improved operating capability and that we are increasing confidence in our business strategy and our capacity to deliver."
